***Re: Promega Corp. vs. Life Technologies, et al.
Case No. 10-cv-281***

Dear Judge Crabb:

On December 19, 2012, Promega Corporation filed its Motion for Relief from the Amended Judgment Based on Newly Discovered Evidence and for a New Trial. (Dkt. #727). The Court has not yet issued a briefing schedule for that Motion. Life Technologies understands that the Court is considering whether to set that motion for briefing. Consequently, Life Technologies does not intend to file a response to the Motion at this time, but will respond accordingly upon such action by the Court.

Sincerely,

/s/ Kristine E. Johnson
